This matter comes before the Public Service Commission of South Carolina (“Commission”) on the Application of FCF Moving & Storage, LLC d/b/a Good Greek Moving & Storage, LLC (“Applicant” or “Good Greek”) to amend its Class E (Household Goods) Certificate of Public Convenience and Necessity (“CPC&N”). Applicant seeks a CPC&N with authority to move household goods throughout the state. Notice of this Application was timely published pursuant to S.C. Code Ann. Reg. 103-132 on June 6, 2020. No third parties intervened, and a hearing on the Application was held on July 15, 2020.

The parties at the hearing were the Applicant, represented by Charles L.A. Terreni, Esquire, and the Office of Regulatory Staff (“ORS”), represented by C. Lessie Hammonds, Esquire. The ORS informed the Commission it did not oppose Good Greek’ Application.

Good Greek called its President, Frank Fatigati, as a witness. Mr. Fatigati is the sole member and organizer of FCF Moving & Storage, LLC. He has been employed in the moving business for over thirty years.

Mr. Fatigati believes South Carolina's rapid population growth will provide an opportunity for his household goods moving business. Mr. Fatigati plans to reach customers by advertising on television, in newspapers, social media outlets, and by word of mouth. Applicant is exempt from having a safety rating from the U.S. Department of Transportation.

Mr. Fatigati also testified that there are no complaints or judgments against him or Good Greek; he has adequate equipment and facilities to provide moving services and has adequate financial resources. Good Greek has obtained appropriate insurance, as evidenced by the certificates introduced at the hearing. Applicant certified that it is familiar with and will comply with all applicable statutes and regulations. Mr. Fatigati testified Good Greek has purchased three trucks and will initially have about 15 employees. Mr. Fatigati plans to grow the business gradually over the next five years, adding trucks and employees.

Applicant will use the tariff and bill of lading approved in with this Application. Mr. Fatigati explained Good Greek will initially use a paper bill of lading but will soon transition to an electronic system which will furnish a copy to the company's customers by email. Also, Mr. Fatigati said Good Greek will furnish a written copy of the bill of lading upon request.

On June 22, 2020, Applicant moved to present shipper witness testimony by affidavit. The Commission granted this request by Order No. 2020-67-H. Applicant offered the verified testimony of shipper witnesses of Michael Gisman

and William Girardi. Messrs. Gisman and Girardi, realtors with two and three years of experience in South Carolina respectively, testified South Carolina’s housing market is strong. They are frequently asked to recommend movers of household goods, and it can be difficult to find qualified movers who are hardworking and ethical. Messrs. Gisman and Girardi each stated the public interest would be served by granting a CPC&N to Good Greek.

ORS did not prefile testimony but submitted a letter to the Commission on July 15, 2020, stating that ORS “is of the opinion that the Applicant will meet the requirements of fit, willing, and able as required of a household goods mover under the provisions of S.C. Code Ann. Regs. 103-133 (2012).”

The Commission finds Good Greek has demonstrated that it is fit, willing, and able to operate a household goods mover under S.C. Code Ann. § 58-23-330 and S.C. Code Reg. 103-133. We also find that the public convenience and necessity is not already being served by existing authorized services. Therefore, Good Greek’s Application for statewide authority should be granted.

IT IS THEREFORE ORDERED:

1. The Application of FCF Moving & Storage, LLC d/b/a Good Greek Moving & Storage for a Class E (Household Goods) Certificate of Public Convenience and Necessity is approved for the Applicant to transport household goods to points and places throughout the state.

2. The final Tariff and Bill of Lading are approved and attached hereto as Order Exhibit 1.

3. The Applicant shall file with the Office of Regulatory Staff the proper insurance, safety rating, and other information required by S.C. Code Ann. § 58-23-10 *et. seq.*, as amended, and by S.C. Code Ann. Regs. 103-100 through 103-241 of the Commission's Rules and Regulations for Motor Carriers, and S.C. Code Ann. Regs. 38-400 through 38-503 of the Department of Public Safety's Rules and Regulations for Motor Carriers, as amended, within ninety (90) days of the date of this Order, or within such additional time as may be authorized by the Commission.

4. Upon compliance with S. C. Code Section 58-23-10 *et seq.*, and the applicable regulations for Motor Carriers, a Certificate will be issued by the Office of Regulatory Staff authorizing the motor carrier services granted herein.

5. The motor carrier's services authorized by this Order will not be provided prior to compliance with the above-referenced requirements and receipt of a Certificate.

6. Failure of the Applicant to either 1) complete the certification process by complying with the Office of Regulatory Staff requirements within ninety (90) days of this Order, or 2) to request and obtain from the Commission additional time to comply with the requirements stated above, will cause this Order

granting the Application to be null and void, and the Application will be dismissed without prejudice. No further order of this Commission is necessary.

7. Under the two-month reporting requirement continued in Order No. 2014-443 (May 21, 2013), the ORS is requested to furnish the name and docket number of the Applicant to the Commission, should the Applicant fail to meet the present Order. If such notification is provided, the docket will be closed.

8. This Order will remain in full force and effect until further order of the Commission.
